MUNICIPAL

Bruce Township Water Main Extension

Bruce Township, MaComb County

Client: **Bruce Township**
223 E. Gates Street
Romeo, MI 48065
Ms. Susan Brockmann
586.752.4585

Project Description

Boss Engineering provided engineering, inspection, and testing services to complete a watermain extension connection of a 12" Watermain to service the 33 Mile Road Industrial corridor to the Detroit Water and Sewer Department (DWSD) for Bruce Township. Boss Engineering also designed a new meter and valve facility, coordinate approvals and permits with the DWSD and MDEQ and prepared engineering estimates for initial public hearings to establish the special assessment district (SAD) according to P.A. 188.
