

Bruce Township Water Main Extension

Bruce Township, MaComb County

Client: Bruce Township
223 E. Gates Street
Romeo, MI 48065
Ms. Susan Brockmann
586.752.4585

Project Description

Bruce Township in Macomb County was looking to provide over 1 mile of water main to service their industrial district and adjacent Armada Township. The work included tapping into a 96" DWSD water main installing a meter pit, pressure reducing pit, installing 200 feet of 16" main and over 10,000 lineal feet of 12" water main. The project was completed in 2011 and cost over \$800,000.
