

RECREATIONAL FACILITIES

Bush Park

City of Fenton, Genesee County

Client: Fenton Rotary Club**Project Description**

Landscape Architecture responsibilities included landscape design, and site design of a public park located in the City of Fenton, Michigan. The site design was centered around showcasing the adjacent Shiawassee River. A gazebo, benches, picnic tables and additional walks were added to attract users to the park. The park also included an existing bathroom building. The bridge crossing the river was also rebuilt and connects Bush Park with a larger park system.
