

Hartland High School Wastewater

Hartland Township, Livingston County

Client: Hartland Consolidated Schools

9525 Highland Road

Howell, MI 48843

Mr. Scott Bacon, Assistant Superintendent of Business and Operations

810.626.2100

Project Description

Public sewer connection design, and wastewater system closure plan. BOSS provided survey and engineering services that assisted in the connection of Hartland High School to the municipal sewer system. As part of the construction, a closure plan and construction management was provided in order to abandoned the existing wastewater treatment system, which consisted of multi-cell wetlands, tanks, lift stations and a sub-surface tile field.
