Project Description

Survey, engineering design, construction stakeout, construction engineering services during construction and As-Built drawings for reconstructing approximately one (1) mile of Nine Mile Road between Napier and Chubb Roads. The project consisted of paving the existing gravel road, installing drainage improvements, preparing easement documents, and coordinating with the property owners, Lyon Township and the Road Commission for Oakland County. This job was started in April of 2002 and completed in July of 2002.
