Oak Pointe Country Club Clubhouse

Genoa Township, Livingston County

Client: Oak Pointe Country Club

4500 Club Drive
Brighton, MI 48116
Mr. Charles Fort
810.923.7404

Project Description

Located in a golf course community, the original clubhouse was destroyed by fire. Boss Engineering was brought on board to develop a site plan which incorporated much of the existing parking, sidewalks and cart paths, but at the same time updated the design to include the design ideas and standards. Boss' responsibilities included site design, grading and drainage, utility service design, landscape and lighting photometrics design.
