**St. Vincent de Paul Camps**  
 Port Huron, Michigan

**Client:** St. Vincent de Paul

**Project Description**

Landscape Architecture responsibilities included preparing review option sketches and a compare/contrast report for Camp Ozanam and Camp Stapleton located north of Port Huron, Michigan on Lake Huron. Option sketches included a primitive sport camp, agricultural/nature center, family life center, conference center and assisted living center. Some unique design elements within these options included tree house camping, equestrian show ring and handicapped beach access.
