

2009-2012 Local Street Improvements

City of Walled Lake, Oakland County

Client: **City of Walled Lake**
1499 E. West Maple Road
Walled Lake, MI 48390
Ms. Lisa McGill - Department of Public Works Coordinator
248.624.4847

Project Description

Boss Engineering provided bid documents, evaluated bids, facilitated bonding requirements and assisted in contractor selection for a 1 million dollar pavement rehabilitation project in the City. Future work will include construction inspection and administration as well as contractor coordination, quality control and materials testing to assure a superior project. The project was bid in the Spring of 2009 and has been on going through 2012.
