

2009 Street Paving Project

City of Walled Lake, Oakland County

Client: **City of Walled Lake**
1499 E. West Maple Road
Walled Lake, MI 48390
Mr. Loyd Cureton, Director Department of Public Works
248.624.4847

Project Description

Boss Engineering provided construction drawings, contract documents, bidding documents and construction administration services for the City of Walled Lakes 2009 street paving program. A total of 9.4 miles of city streets received overband crack fill. Some streets in poor condition required either milling and overlay, or pulverizing and overlay treatment.
