

Eagle at Water's Edge Estates

City of Fenton, Genesee County

Client: Adler Enterprises
719 East Grand River Ave.
Brighton, MI 48116
Mr. Tom Adler
810.229.5722

Project Description

Survey and engineering design of public roads, sanitary sewer, water main, storm sewer and sidewalks in the 295-unit Eagle at Water's Edge residential development in City of Fenton. We secured the necessary construction permits, provided construction engineering, construction stakeout and as-built plans of the proposed improvements on the 105-acre development. The development included 13,400 feet of road, 9,500 feet of sanitary sewer, 11,500 feet of water main and 11,400 feet of storm sewer.
